Peru to Stop Atrocities on Indiana.

PLANS HAVE BEEN APPROVED

ope are about to be taken in a move-t which is to be co-optimate with a lar one in Engiand, for the collec-of popular subscriptions to defray expenses of a Catholic mission to go the Putumayo district of Peru, and a stop to the atrockless practiced by its of an English company against tan employed in the gathering of

Indiana employed in the gathering of cubber.

Backing for this movement is to come from the highest possible official sources, it is now understood as is now known. It is now understood as is now known, the State Department has been co-operationally the British government, with a there to be the processed through the efforts of \$17 Known Consul General at Para. Brasil. With the publication of the Casement report this month in London, the public has just been made acquainted with the horrible rractices which have been going on in the remote regions of the Upper Amston. The start of the movement for subscription awaits only upon a decision as to how the money might best be collected, and what person or organizations shall be made receivers. Cardinal Gibbons Sagrested.

It is now believed that Cardinal Gibbons, at Baltimore, will be asked to assume the receivership of funds collected for this purpose. As the recognized head of the Roman Catholic Church in this country for many years, the Cardinal is considered the most solitable man for the office. It is believed that were the cept the responsibility, all ansated doubt, as to the histity inure the considered that the considered that the considered that the considered to the project would be sending of a Catholic Cardinal in the project would be sending of a Catholic Cardinal in the project would be sending of a Catholic Great Britain, where the structiles in this region have occupied the attention of the British government for nearly two years. The idea of a mission was hit upon as the best possible assurance that the terture and butchery of the Indians by rubber agents would crake. No sect other than the Rousan Catholic Church is considered in a position to take up the matter, because of the fact that the constitution of Pero prohibits any activities in that country by any other church. It is believed that if the Putumayo can be covered with churchmen, to work among the natives in even the most remote regions, that the agents of the company with the billing of at least 10,000 in the list twelve years. The missionaries, it is believed, would serve as so many watchful agents of humanity and civilizating, and would be able to keep the light of publicity turned upon all the acts of the rubber gathering from.

One of Favorite Excursions is on the Steamer St. Johns.

One of the most popular excursions this season is the delightful week-end trip on the palatial steamer St. Johns to Colonial. Beach washington's Atlantic City. This trip affords the people of Washington an opportunity to get away from the heat and dirt of the city over Sunday, and at the same time enjoy the pleasures and delights of the bealthful sail water bithing, fishing, crabbing and sailing, to be found at the Beach. There are more attractions at Colonial Beach this year than ever be Colonial Beach this year than ever the colonial Beach this year than ever t

# **Great Reorganization Sale** Stock to Be Reduced \$200,000

Owing to the reorganization of this corporation, due to the withdrawal of one of its members, we propose to sell a large quantity of goods at big reductions.

To start with, we intend to sell all stock now on hand at such a deep cut in prices as has not been seen in any special sale ever before held here. It is needless to add that the same high standard of quality and fair treatment which has made this house notable for over fifty years will be maintained with jealous

We cordially invite the public at large to look through the 36 large salesrooms of the store in order to get an idea of the immense stock of high grade goods we are carrying, and the very low prices at which they are being sold during this Reorganization Sale.

Marred by Water Power Projects.
The utilization of the water of the upper Potomac for power purposes will materially diminish the stream which rose over Great Falls, thereby impairing the beauty of the execute. To what extent it will be marred cannot be determined until the survey being conducted by Lebut Col. W. C. Langitt, ensuined until the survey heing conducted by Lebut Col. W. C.
